

Local Pet Boarding Kennels

Please note: Not every boarding facility in Fairbanks and the surrounding area is listed here due to a lack of response to our inquiry for information and new businesses may not be listed yet. Although we provide information on these kennels for your convenience, we cannot make any recommendations since we have not visited each and every one of them. **We advise any prospective boarder to make an unannounced visit to the kennel before making a decision.** We also advise that you contact the facility to confirm their boarding requirements as changes may have not been updated on this form.
